Thattekad Bird Sanctuary

Nestled on the banks of the Periyar River, Thattekad Bird Sanctuary is one of India's richest bird habitats and Kerala's very first bird sanctuary. Spanning 25 sq. km of lush evergreen and deciduous forests, Thattekad was described by Dr. Salim Ali, the "Birdman of India," as the richest bird habitat in peninsular India.

Thattekad is a paradise for both seasoned birders and curious beginners. From the vibrant calls of barbets at sunrise to the haunting night notes of the Ceylon Frogmouth, every visit feels like stepping into a living orchestra.
