SAFARIS

We'll depart from our camp at 5:30 AM for a full-day game drive inside the National Reserve, carrying packed breakfast and lunch (on full day game drive days). We'll spend the day exploring the vast savannah and return to camp by 6:30 PM.

You'll be accompanied throughout by Mahesh Subramanian, our Seasoned Wildlife Expert and Photographer, who will share valuable insights into animal behaviour and provide personalised photography guidance to help you capture the magic of the wild.

BIRDS, MAMMALS AND MORE

Kenya offers an incredible variety of birds, mammals, and scavengers, making it one of the most spectacular wildlife experiences on Earth. Here, you can witness lions up close, observe predators with their kill, and experience the raw behaviours of wildlife and scavengers in action.

The sunrises and sunsets are nothing short of magical—ideal for capturing those perfect silhouette shots you've always dreamed of.

In short, it's National Geographic and Discovery Channel—brought to life.

Come and witness the magic for yourself. The wild is waiting.

COST

The total cost of the experience is ₹2,30,000 INR per person.

Additional cost :

- Return flights from India to Nairobi
- Flight from Amboseli to Mara (~350 USD)
- Visa cost (~35 USD)
- Yellow Fever vaccination (Rs 500)

You'll be staying at camps located right next to the national reserves, placing you in the heart of the wilderness. Wake up to the sounds of the savannah and fall asleep beneath a sky full of stars.

This is more than just a safari—it's an immersive learning experience, guided by certified nature experts and seasoned wildlife travellers, designed to deepen your connection with the wild and leave you with stories that last a lifetime.
